5. @DESSAU said that he had one request to make of me. He said that his Headquarters was now in the process of planning study trips for next year and that he wanted to know if we would welcome a certain Dr. SCHREITER who is the Chief of Documentation in the BND's Auswertung. @DESSAU said that @Dr. SCHREITER's true name is Emmerich Ofczarak. @DESSAU said that this was not to be considered as a formal request but rather he simply was wanting to know whether we would welcome such a visit. He suggested that @Dr. SCHREITER might like to visit with Walter Pöggendorfer and the Biographies Registry. @DESSAU continued

that he could not make any further statements as to when the visit might take place, if at all, but he said it was being programmed into the budget. In this regard @DESSAU noted that the budget completely precludes any thought of him needing a new house in the coming fiscal year.
